

Operator Licence Awareness Training

Covering every aspect of the operators licence for a better understanding and compliance

Suitable for transport managers, directors and all staff responsible for commercial vehicle operations

As an approved National Logistic Training Consortium training centre our course is recognised and approved by the Traffic Commissioners should you be requested to complete an Operator Awareness Course.

Our one day Operator Licence Awareness training course can delivered at your premises or at our training centre in March.

The course will cover the operator licence undertakings and much more, you will benefit from a mini audit at the beginning of the course to check where you are at with your compliance regime.

At our Training Centre for Road Transport

Unit 3 Platinum Business Park, Thorby Avenue, March PE15 0AR
